### 8E Multi-Emergency Early Response App System Privacy Policy

Last updated: September 25, 2023

This privacy policy explains how we collect, use, and share your information when you use the 8E Multi-Emergency Early Response App System (the "App").

What information do we collect?

We collect the following information from you when you use the App:

- Your personal information, such as your name, email address, and phone number
- Your location information
- The type of emergency you are reporting
- The date and time of your report
- Any other information you provide to us

How do we use your information?

We use your information to provide you with the following services:

- To send you emergency alerts and notifications
- To connect you with the nearest emergency responders
- To improve the App and our services

How do we share your information?

We share your information with the following third parties:

- Emergency responders, such as the police, fire department, and ambulance service
- Our service providers, who help us to provide the App and our services
- Government agencies, as required by law

How do we protect your information?

We use various security measures to protect your information from unauthorized access, use, or disclosure. These measures include:

- Encrypting your information
- Using firewalls and intrusion detection systems
- Limiting access to your information to authorized personnel

Your choices

You have the following choices regarding your information:

- You can choose not to provide us with any information. However, this may limit your ability to use the App and our services.
- You can choose to opt out of receiving emergency alerts and notifications.
- You can request access to your information or delete it.
